LRB Number 23-3999/1	Introduction Number AB-0981	Estimate Type Original
<b>Description</b> instruction on human trafficking in licensed schools of barbering, schools of cosmetology, and specialty schools		

**Assumptions Used in Arriving at Fiscal Estimate**

This bill requires the Department of Justice, in consultation with the Technical College System Board, the Department of Safety and Professional Services (DSPS), and the Cosmetology Examining Board, to identify and establish industry specific materials for use in providing instruction to students in schools of barbering, schools of cosmetology, and specialty schools in the recognition and reporting of human trafficking. Specialty schools are establishments that offer instruction in aesthetics, electrology, or manicuring.

DSPS estimates a total one-time cost \$28,100 to implement the bill. This total includes \$10,000 for hiring an external educational firm to develop one hour of training content and 45 hours of IT time at \$85 to update DSPS's credentialing software to provide for applicants to input verification or documentation confirming course completion. DSPS estimates that the implementation would also require 0.25 limited term employee for rulemaking, Cosmetology Examining Board support, website updates, staff training, and documentation. These estimated costs cannot be absorbed in the currently appropriated agency budget.

**Long-Range Fiscal Implications**
