ER–MRS 22.05 Layoff plan subject to approval. Whenever it becomes necessary for an agency to lay off employees, the appointing authority shall prepare a comprehensive written plan for layoff following the procedure specified in this chapter and submitted to the director for review and approval prior to implementation.

History: Emerg. cr. eff. 4–25–75; cr. Register, September, 1975, No. 237, eff. 10–1–75; renum. from Pers 22.09 and am., Register, February, 1981, No. 302, eff. 3–1–81; correction made under s. 13.92 (4) (b) 6., Stats., Register September 2015 No. 717.

ER–MRS 22.06 Procedure for making layoffs. (1) In the layoff plan submitted to the director, under s. ER–MRS 22.05, the appointing authority shall recommend the layoff group in which the layoff is to occur. The layoff group shall reflect the staffing processes followed for included positions. Full–time and part–time positions may constitute different layoff groups. The primary order of layoff is determined by job performance. Thereafter, disciplinary records, seniority, and ability are factors used to determine the order of layoff action.

(2) The appointing authority will determine the order of layoff primarily based on job performance. Employers, including the one on or after any leave of absence, in the layoff group, will be grouped by category of performance based on the evaluation categories established in the employee’s annual performance evaluation. To determine the most appropriate category for layoff grouping, the appointing authority will use the current year and previous 4 years.

(3) Within each performance category, the employees in the layoff group shall be ranked by seniority computed on the basis of continuous service as set forth in s. ER18.02 (2) and (3), with any resulting tied cases to be ranked, relative to each other, according to their total continuous service in the approved layoff group. If, after completing this ranking, a tie still exists between 2 or more employees, continuous service of the tied employees shall be determined by age, with the oldest employee deemed to have the greatest continuous service. Disciplinary record review will consist of an employee’s disciplinary records from the current and previous 4 years. An appointing authority may request the exemption of an employee from the seniority order due to the results of the disciplinary record review. Ability is applied by requesting to retain up to 20% of the employees in the layoff group with the same or superior skills as determined by the appointing authority. Remaining employees shall be laid off according to their continuous service ranking, with the employee with the least continuous service laid off first.

(4) With the agreement of the appointing authority, an employee with more continuous service in the layoff group may volunteer to be terminated from employment in lieu of the layoff of an employee with less continuous service, with the guarantee that the appointing authority will not challenge the volunteering employee’s eligibility for unemployment compensation.

Register, September, 1975, No. 237, eff. 10–1–75; renum. from Pers 2.035 and am., Register, February, 1981, No. 302, eff. 3–1–81; correction in (1) and (2) made under s. 13.93 (2m) (b) 7., Stats., Register, October, 1983, No. 326, eff. 3–1–83; correction made under s. 13.92 (4) (b) 6., Stats., Register September 2015 No. 717, CR 18–006: am. Register July 2018 No. 751, eff. 8–1–18.

ER–MRS 22.07 Notice prior to layoff; appeal notice. (1) Any employee affected by layoff shall be given written notice of the anticipated action, not less than 60 calendar days prior to its effective date. If the appointing authority is provided fewer than 60 days’ notice of the need for layoff, because of loss of funding or otherwise, the director may authorize a layoff notice of 30 calendar days prior to the effective date. The written notice of layoff shall, to the extent practicable, include the specific alternatives within the agency available at that time to the employee in lieu of termination. The appointing authority shall continue to keep the employee aware of new alternatives available up to the effective date of the layoff.

(2) Seven calendar days prior to the layoff effective date, the appointing authority will issue the employee a final written notice of impending layoff. The notice shall include the employee’s right to grieve the layoff decision under s. 230.445, Stats. No notice of appeal or pending litigation as a result thereof, affects any determination previously or subsequently made by the appointing authority, until an order is entered by the commission, unless the order is stayed by a court of competent jurisdiction.

ER–MRS 22.08 Alternatives to termination from the service as a result of layoff. If an employee has permanent status in a class and has received a notice of layoff under s. ER–MRS 22.07 (1), alternatives shall be available in the order listed in this section until the effective date of the layoff. Employees in the same layoff group who are laid off on the same date shall have the right to exercise the following alternatives to termination from the service as a result of layoff with the most qualified employee, as determined by the appointing authority, being offered the available vacancy first. This offer shall be subject to the criteria for a reasonable offer of appointment under s. ER–MRS 22.09:

(1) Transfer. (a) All employees who have received a notice of layoff have the right to transfer within the agency to any vacancy in the same or counterpart pay range for which the employee is qualified to perform the work after being given the customary orientation provided to newly hired workers in the position.

(b) An employee who transfers within the agency as an alternative to termination from the service immediately attains permanent status in class to the class in which the employee transfers, except that:

1. An employee who is serving a promotional probationary period must complete that probationary period in the new position.

2. An employee who is serving a permisive probationary period may be required to complete that probationary period in the new position.

(2) Demotion. If no transfer under sub. (1) is available and if there is a vacancy available within the agency for which the employee is qualified to perform the work after being given the customary orientation provided to newly hired workers in such positions, an appointing authority shall offer the employee a demotion to that vacancy. This offer shall be subject to the criteria for a reasonable offer of appointment under s. ER–MRS 22.09 and the following:

(a) An employee demoted under this subsection immediately attains permanent status in class to the class in which the employee is demoted, except that an employee who is serving a promotional probationary period must complete that probationary period in the new position if that position is at a higher level than the position from which the employee promoted.

(b) For pay provisions regarding an employee who is demoted by the appointing authority, as a result of a layoff to the highest level vacancy available for which the employee is qualified, see s. ER 29.03 (8) (c) or the compensation plan.

(c) For pay provisions regarding an employee who chooses, with approved appeal of the appointing authority, to be demoted as a result of layoff to a vacancy which is at a lower level than other available vacancies to which the employee could be demoted or transferred under sub. (1), see s. ER 29.03 (8) (d) 1. or the compensation plan.

**ER–MRS 22.09** Failure to accept reasonable offer of appointment. (1) An employee who has been notified of layoff and fails to accept a reasonable offer of permanent appointment within the agency within 2 work days of the offer or who, upon acceptance, fails to be available for work within 5 work days after acceptance forfeits any further rights to an appointment under ss. ER–MRS 22.08 and 22.10. (2) As determined by the appointing authority, an offer of appointment shall be considered reasonable if it meets the following 5 conditions as of the date of the offer:

(a) The position is one which the employee would be qualified to perform after customary orientation provided to new workers.

(b) The position is the highest level position available within the agency to which the employee could either transfer or demote.

(c) The assigned shift or number of work hours required does not vary substantially from the number of work hours previously worked.

(d) The position is located at a work site that is within reasonable proximity of the original work site.

(e) The pay range of the position offered is no more than 3 pay ranges on the same pay ranges, or one broadband pay range, lower than the pay range of the position from which the employee was laid off.
