

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER # 289

**Relating to a Proclamation Declaring a State of Emergency
Relating to Drought Conditions**

WHEREAS, areas of the State of Wisconsin have experienced significant drought conditions due to the lack of precipitation; and

WHEREAS, the drought conditions are causing extreme damage to agricultural crops; and

WHEREAS, continual lack of water for the crops will result in greater damage to the crops; and

WHEREAS, continued and projected crop damage will result in severe economic losses to agriculture; and

WHEREAS, water can generally be diverted from certain streams and lakes in the State of Wisconsin without causing serious environmental damage; and

WHEREAS, Wis. Stat. § 30.18 presently requires that certain lake and stream diversions for agricultural purposes must be accomplished pursuant to a permit issued by the Department of Natural Resources; and

WHEREAS, Wis. Stat. § 30.18 requires notice and hearing provisions that are too lengthy to be responsive to the existing drought conditions; and

WHEREAS, the waiver of the notice and hearing provisions of Wis. Stat. § 30.18, in the manner set forth in this Executive Order, will enable the State of Wisconsin to be more responsive to the current agricultural crisis and still protect the valuable water resources of the State;

NOW, THEREFORE, I, JIM DOYLE, Governor of the State of Wisconsin, by the authority vested in me by the Constitution and the laws of this State, and specifically by Wis. Stat. § 166.03(1)(b)1, do hereby declare the present drought condition to be a natural disaster and proclaim the Counties of Ashland, Barron, Bayfield, Brown, Buffalo, Burnett, Chippewa, Clark, Door, Douglas, Dunn, Eau Claire, Florence, Forest, Iron, Jackson, Kewaunee, Langlade, Lincoln, Manitowoc, Marathon, Marinette, Menominee, Oconto, Oneida, Outagamie, Pepin, Pierce, Polk, Portage, Price, Rusk, Sawyer, Shawano, Taylor, Trempealeau, Vilas, Washburn, Waupaca, St. Croix, and Wood in the State of Wisconsin to be in a state of emergency for 30 days, unless extended by joint resolution of the Legislature;

PURSUANT TO said state of emergency, by virtue of the authority vested in me by the Constitution and Laws of Wisconsin, and Wis. Stat. § 166.03(1)(b)1, I hereby order:

1. That the statutory notice and hearing provisions of Wis. Stat. § 30.18, relating to the diversion of water from certain lakes and streams for purposes of crop irrigation be suspended for diversions in the counties declared to be in a state of emergency; and
2. That water may be diverted from certain lakes and streams for purposes of crop irrigation in the counties declared to be in a state of emergency on a case-by-case basis only where all of the following procedures have been followed:

- a) The person proposing to divert water has requested permission from the appropriate Department of Natural Resources service center office; and
 - b) The proposed site of diversion has been field inspected where determined to be necessary by Department of Natural Resources personnel. The Department is directed to conduct the field inspection within 72 hours of the request for permission to divert; and
 - c) The on-site inspector will grant immediate written authority if the proposed diversion will not cause unduly adverse environmental effects. The on-site inspector may authorize the proposed diversion subject to whatever conditions he or she deems necessary to ensure that there will not be unduly adverse environmental effects as a result of that diversion and other diversions on the stream. Such conditions may include but are not limited to: exact location of the diversion, rate of diversion, hours of diversion and the frequency of diversion within the specified time period; and
3. That the Department of Natural Resources will maintain active enforcement surveillance on all diversions authorized under the procedures established pursuant to this Order to ensure that only duly authorized stream or lake diversions occur; and
 4. That the emergency authorities granted herein shall be applicable only to agricultural irrigation that requires emergency assistance; and
 5. That any permits authorized pursuant to this Order shall not be valid for longer than 30 days after the date of this Order, unless the state of emergency is extended by joint resolution of the Legislature; and
 6. That this Order is not to be construed in any manner as limiting the statutory enforcement power of the Department of Natural Resources with respect to any violations of existing § 30.18 permits, any permits issued pursuant to this Order, any conditions of any such permits, or any diversions which occur without authorization pursuant to Wis. Stat. § 30.18, or this Order; and
 7. That the Department of Natural Resources is authorized to rescind any emergency diversion permits granted herein if it becomes apparent that unduly adverse environmental effects are being caused or aggravated by said permits, any permit rescission shall be in writing to the permittee.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Wisconsin to be affixed. Done at the Capitol in the City of Madison this twelfth day of August in the year two thousand nine.

JIM DOYLE
Governor

By the Governor:

DOUGLAS LA FOLLETTE
Secretary of State
