Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

In s. Med 13.03 (1), the unamended text is not consistent with the original text. In the second sentence, the phrase “liaison committee on continuing education” should read “liaison committee on continuing medical education.” Further, in that sentence, the word “disproved” should be “disapproved.”

4. Adequacy of References to Related Statutes, Rules and Forms

In s. Med 13.03 (2) (a), it appears that the cite to s. 632.89, Stats., is incorrect. Section 632.89, Stats., relates to required coverage of alcoholism and other diseases in insurance contracts.

5. Clarity, Grammar, Punctuation and Use of Plain Language

In s. Med 13.03 (2) (b), the comma after the phrase “shall register in advance with the board” should be deleted.
