## **CLEARINGHOUSE RULE 95-166**

### **Comments**

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]**

#### **2. Form, Style and Placement in Administrative Code**

Notes to rules are used for explanatory purposes only. Notes are not a part of the rule and so do not have the force of law. [See s. 1.09, Manual.] Consequently, the department may not delay the enforcement of the new provision created by this rule by inclusion of a note in the rule. Instead, the department should delay the effective date of the rule itself. [See s. 1.02 (4), Manual.] Consequently, the Note to s. NR 812.31 (2) (b) should be omitted and the effective date provision should read as follows: “This rule shall take effect on the first day of the fourth month beginning after publication.”
