CLEARINGHOUSE RULE 96-119

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

a. In s. HSS 172.03 (12), the period after “residents” should not be underscored. Also in that subsection, the comma after “~~resort~~” should be stricken through.

b. In s. HSS 172.05 (2) (a) 3., the beginning of the first sentence should read: “Every Except as provided in subd. 4., every.” Also, “(YMCA) lifeguard certificate” should read “(YMCA) lifeguarding certificate,” as in the current rule text. Finally, the comma after “~~children~~” in the last sentence should be deleted, as in the current rule text.

c. In s. HSS 172.05 (2) (a) 4., a comma should be inserted after “1996.” This comment also applies to “January 1, 1995” in s. HSS 172.05 (2) (c).

d. In s. HSS 172.05 (3) (c), “(WSI)” should be underscored because it is not in the original text. Also, this paragraph should be reviewed. Much of the original text is not included and it is unclear whether it is the drafter’s intent to delete this language.
