CLEARINGHOUSE RULE 97-131

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

The commas preceding “and” in the titles in subs. (3) and (4) in Table 1, s. NR 485.04, should be deleted.

6. Potential Conflicts With, and Comparability to, Related Federal Regulations

Under s. 285.30 (2) (intro.), Stats., emissions limitations for motor vehicles specified by the department may not be more stringent than those required by federal law at the time of the vehicle’s manufacture. To assist readers of the rule in understanding how the emissions limitations in the rule relate to this requirement, the analysis accompanying the rule should indicate whether the proposed emissions limitations are more or less stringent than those required by federal law at the time of the vehicle’s manufacture.
