### CLEARINGHOUSE RULE 04-059

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 2002.]**

#### **2. Form, Style and Placement in Administrative Code**

In the portions of the rule establishing the hunting seasons for Canada geese and its subspecies in the Horicon and Collins zones [s. NR 10.01 (1) (g) 1. g. and h.], a heading indicating the number of permit periods included in the season is included in the column entitled “Open season.” Other portions of the table appear to set forth multiple permit periods. Should similar headings be added to those as well?

#### **5. Clarity, Grammar, Punctuation and Use of Plain Language**

In the last sentence of the second paragraph of the analysis, “shorted” should be changed to “shorter.”
