CLEARINGHOUSE RULE 05-101

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

- a. On page 2 of the rule preface, under the heading of “Objective,” the use of the acronym “GLIFWC” should be spelled out for the reader.
- b. On page 2 of the rule preface, under the heading of “Current Exploitation Study (1998-Present),” the insertion of a comma after the word “questions” in the last sentence will make that sentence clearer.
- c. In the last sentence of the rule preface, it appears that the word “in” should be replaced by the word “is.”
