**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated September 2008.]**

#### **2. Form, Style and Placement in Administrative Code**

a. In s. Med 8.08 (1), consideration might be given to adding, at the end of the first underscored sentence: “, prepared by the supervising physician”.

b. The treatment clause of SECTION 2 can simply state: “Med 8.08 (2) (e) is repealed.”

c. It is suggested that the clause preceding the colon in s. Med 8.08 (3) (a) (intro.) be revised to read: “In conducting the periodic review of the prescriptive practice of a physician assistant, the supervising physician shall do at least one of the following:”. In subs. 2. and 3., a period should replace “, or”.

d. In subs. 1. and 2. of s. Med 8.08 (3) (a), should “representative sample” be substituted for “selection”; compare the use of “representative sample” in s. Med 8.08 (3) (b). Further, in subd. 3. of s. Med 8.08 (3) (a), should reference be made to a “representative sample” of the patient records or prescription orders?

e. In s. Med 8.10 (3), “assistant” should be inserted after the third “physician”, in order to reflect the current text of the rule.
