CLEARINGHOUSE RULE 10-144

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated September 2008.]

2. Form, Style and Placement in Administrative Code

In SECTION 2, s. NR 400.03 (4) (ki) is created; however, that subsection already exists in the code. It is suggested that this paragraph be numbered sub. (4) (kg) instead.

4. Adequacy of References to Related Statutes, Rules and Forms

Section NR 405.07 (9) (a) 2. refers to “par. (a)”. However, this provision is part of par. (a). Is the reference intended to be to subd. 1.?

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In s. NR 400.02 (74m), would it be appropriate to change “greenhouse gases” to “greenhouse gas”?

b. In s. NR 405.02 (28m), “Chapter” should be changed to lowercase.

c. In s. NR 405.07 (9) (a) 2. b., is it possible to define “physical change”? Also, in the note, “Department” should be changed to lowercase.
