CLEARINGHOUSE RULE 13-018

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated November 2011.]

2. Form, Style and Placement in Administrative Code

SECTION 2 of the proposed rule should read as follows: “This rule shall take effect on the first day of the month following publication in the Wisconsin Administrative Register as provided in s. 227.22 (2) (intro.), Stats.”. [s. 1.02 (4), Manual.]

4. Adequacy of References to Related Statutes, Rules and Forms

In the comparison with rules in adjacent states, the citation to Illinois rules is not accurate and may cause confusion. The citation should be to title 68, s. 1330.700, and the quote should read: “If, in the pharmacist's professional judgment, oral counseling is not practicable...”.
