Laura D. Rose
Legislative Council Deputy Director

CLEARINGHOUSE RULE 13-107

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated November 2011.]

2. Form, Style and Placement in Administrative Code

a. In the enumeration of provisions treated by the proposed rule, the department may omit repetition of rule sections when multiple subdivisions of a rule are treated in the same manner. For example, write “to amend ATCP 136.02 (4) (g) (Note), (5), (7), and (8) (a), 136.08 (1) and (7) (Note), and 136.12 (1) (b) (Note) and (2) (Note)”. [s. 1.02 (1) (Example), Manual.]

b. The subsection title should not be included in the treatment clause for SECTION 6 of the proposed rule.

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In the rule analysis, the department cites s. 100.45 (5e), Stats., as a source of statutory authority. This section should be included in the explanation of statutory authority section of the rule analysis.

b. The last section of the rule analysis should specify a deadline for submission of comments.
