CLEARINGHOUSE RULE 16-029

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]

2. Form, Style and Placement in Administrative Code

a. The provisions treated in the text of the proposed rule should match the rule provisions identified in the introductory clause of the rule. Additionally, rather than including entire, largely unchanged, existing rule provisions in text of the proposed rule, only the provisions being affected by the proposed rule should be included. Presently, the treated provisions include ss. PD 1.03 (2) (a) 7., (3) (b), and (4), and 1.05 (2) and (6). [s. 1.02 (1), Manual.]

b. In s. PD 1.03 (3) (b), the inserted, underscored, material should appear after the stricken material. [s. 1.06, Manual.]

c. In s. PD 1.03 (3) (b), references to other rule provisions should be made in accordance with s. 1.07 (2), Manual. For example “s. PD 1.03(2)(a)(7)” should read “sub. (2) (a) 7.”.

d. The proposed rule should be reviewed to ensure that it is divided into sequentially numbered SECTIONS. Presently, the rule omits SECTION 3. [s. 1.04 (1) (a), Manual.]
