CLEARINGHOUSE RULE 17-011

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]

2. Form, Style and Placement in Administrative Code

a. On page 10, line 4, change the reference to “subpars.” to one of the references listed in s. 1.07 (2) of the Manual. Other references in the rule should be reviewed accordingly.

b. In s. ATCP 10.32 (2) (b) (intro.), “Paragraph” should replace “Par.”.

5. Clarity, Grammar, Punctuation and Use of Plain Language

In the Note following proposed s. ATCP 10.30 (1) (a) 3. d., it seems to state that an import permit is required if s. ATCP 10.30 (1) (a) 3. a., b., and d. are not met, but also that no import permit is available if subd. 3. d. is not met, which seems to present a conflict. This Note also appears to include substantive requirements; if so, such requirements should be placed in the rule text rather than a Note.
