5. Clarity, Grammar, Punctuation and Use of Plain Language

a. Should the department also amend s. PI 34.34 (19) (title) and (d) to reflect the extension of experience-based licensure to vocational education subjects?

b. In s. PI 34.34 (19) (c), the department should consider revising the use of the phrase “presented the offer of employment” to more closely reflect the wording of s. 118.191 (2m) and (3), Stats., which refer to employment in the school district controlled by a school board that determines the curriculum that an individual agrees to complete.
