CLEARINGHOUSE RULE 18-097

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]

2. Form, Style and Placement in Administrative Code

a. In SECTIONS 1 to 3, the agency should consider whether it is more appropriate to simply indicate the repeal of s. Ins 4.10 (3) (a) 2., rather than the additional renumbering of s. Ins 4.10 (3) (a) 3. [s. 1.03 (5), Manual.] SECTIONS 5 and 6 should be reviewed for the same issue.

b. In SECTION 7, it appears that subds. 2. and 4. are not treated by the rule. If so, the treatment clause for that section should be amended to read “Ins 4.10 (6) (b) (intro.), 1. and 3. are amended to read:”, and the text of subds. 2. and 4. should be removed. [See s. 1.04 (4), Manual.] Corresponding changes should be made in the introductory clause.
