### CLEARINGHOUSE RULE 24-033

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Council Staff and the Legislative Reference Bureau, dated November 2020.]**

#### **4. Adequacy of References to Related Statutes, Rules and Forms**

In the “statutes interpreted” section of the rulemaking summary, the agency should refer to s. 146.82, Stats., as that statute is an explicit limitation on the board’s rulemaking authority under s. 961.385 (2) (c), Stats. Additionally, it may be useful to the typical reader to more fully explain the relationship between the two statutes in the explanation of the agency’s authority, rather than simply quoting s. 961.385 (2) (c), Stats.
