NOTICE of ENVIRONMENTAL ANALYSIS

Department of Commerce

Rule No.: Chapter Comm 47

Relating to: Usual and Customary Cost Schedule for Petroleum Environmental Cleanup Fund Awards

Notice is hereby given that the Department has considered the environmental impact of the proposed rules. In accordance with chapter Comm 1, the proposed rules are a Type III action. A Type III action normally does not have the potential to cause significant environmental effects and normally does not involve unresolved conflicts in the use of available resources. The Department has reviewed these rules and finds no reason to believe that any unusual conditions exist. At this time, the Department has issued this notice to serve as a finding of no significant impact.
