**Assumptions Used in Arriving at Fiscal Estimate**

The proposed rules update provisions for the Uniform Dwelling Code, chapters Comm 20-25. The Uniform Dwelling Code establishes uniform, statewide standards for the design and construction of one- and 2- family dwellings. The vast majority of the proposed revisions involve technical issues with the revisions intended to clarify current policies and requirements. The current administration and enforcement aspects of the code are not proposed to be significantly altered and therefore it is anticipated that the revisions will not have an impact on department and local municipality resources or costs.

The proposed rules do not significantly impact small businesses. The proposed rules do adopt more current technical design and construction standards used by designers and various tradespersons but those standards do not have a significant impact.

**Long-Range Fiscal Implications**

No long-range fiscal implications are anticipated.
