

FINAL REGULATORY FLEXIBILITY ANALYSIS

Department of Safety and Professional Services

CLEARINGHOUSE RULE NO.: 09-029

RULE NO.: Chapters SPS 305 and 316

RELATING TO: Electrical Inspection

Final regulatory flexibility analysis not required. (Statement of determination required.)

Pursuant to s. 227.19 (3m), Stats., the department has determined that the proposed rules will not have a significant economic impact on a substantial number of small businesses.

1. Reason for including or failing to include the following methods for reducing impact of the rule on small businesses: Less stringent compliance or reporting requirements; less stringent schedules or deadlines for compliance or reporting requirements; simplification of compliance or reporting requirements; establishment of performance standards to replace design or operational standards; exemption from any or all requirements.
2. Issues raised by small businesses during hearings, changes in proposed rules as a result of comments by small businesses and reasons for rejecting any alternatives suggested by small businesses.

(Continued on reverse side)

3. Nature and estimated cost of preparation of any reports by small businesses.
4. Nature and estimated cost of other measures and investments required of small businesses.
5. Additional cost to agency of administering or enforcing a rule which includes any of the methods in 1. for reducing impact on small businesses.
6. Impact on public health, safety and welfare caused by including any of the methods in 1. for reducing impact on small businesses.
