_____	_____	_____	_____

*** Please note that for many Fire Departments, the **Effective Date** (of start of service to a municipality) is currently listed as **1/1/1997**. We realize that date is incorrect for most, if not all, Fire Departments. Prior to January of 1997, the Department of Commerce did not keep records of the effective dates of service. However, as of January 1, 1997, the Department began using a customized database to track all pertinent information concerning Wisconsin fire departments, the municipalities that they serve and also the status of Fire Dues compliance. January 1, 1997 was arbitrarily designated as the "Effective Date" when we initialized our database. We are now updating our records as we receive the actual Effective Date, so please make any necessary corrections to the date(s) listed above (if known).
