Clearinghouse Rule 10-063

**NOTICE OF SUBMITTAL OF PROPOSED RULE OF THE
DEPARTMENT OF ADMINISTRATION
TO WISCONSIN LEGISLATIVE COUNCIL STAFF**

Rule Submittal Date

On May 27, 2010, the Wisconsin Department of Administration submitted a proposed order to create Chapter Adm 24 of the Wisconsin Administrative Code to the Wisconsin Legislative Council Rules Clearinghouse.

Analysis

The Department solicits bids from, awards contracts to and approves subcontracts with only responsible businesses and individuals according to procedures specified in Chapters Adm 20 and 21. The proposed rule establishes the policies and procedures for the debarment and suspension of contractors that have either had past contract performance problems, or have committed offenses under the law. For example, criminal offenses in connection with a public contract, violation of an antitrust statute relating to bids, theft, forgery, false statements and obstruction of justice. Debarment and suspension are appropriate means to effectuate this policy.

Agency Procedure for Promulgation

A public hearing on the proposed rule is scheduled for June 30, 2010, in Madison, Wisconsin. The Department's Legal Services Office is the organizational unit responsible for the promulgation of the proposed rule.
