Speaker 1, Exhibit 1	Karen Endres 1003 Ganser Drive Wauwaukee, WI 53597	Supports the proposed rules. a. Requests that in section Comm 9.02 (b) the department references ASTM F2673, Standard Safety Specification for Special Tip-Resistant Movable Soccer Goals, instead of ASTM F2056, Standard Safety and Performance Specification for Soccer Goals. Recommends that the rules requiring anchoring should exempt new goals that are “stable/tip-resistance without anchoring” (ASTM F2673) or not exempt any goals and consequently delete par. (b). b. Believes the rules should contain information relating to reporting, enforcement and recording of incidents.	Support noted. a. The rules have been revised to reference ASTM F2673, Standard Safety Specification for Special Tip-Resistant Movable Soccer Goals. b.
