Assumptions Used in Arriving at Fiscal Estimate

The applications submitted under this program, as established under 2009 Wisconsin Act 299, will include revenues that will offset the Department's costs in administering this new program.

The Department estimates that 300 businesses will maintain the credential under this program, at an annual fee of \$50.

The rules are not expected to impose any significant, mandated costs on the private sector, because the rules only address applying for, receiving, and maintaining voluntary credentials.
