Assumptions Used in Arriving at Fiscal Estimate

For the most part the proposed rule revisions are non-substantive in nature; correcting or providing consistent format, eliminating irrelevant dates, updating referenced national standards to current editions; clarifying registration obligations; and revising terminology to reflect statutory changes such as 2009 Wisconsin Act 291. The proposed rules do not establish or revise any of the credentials fees under chapter Comm 5.

Long-Range Fiscal Implications

No long-range fiscal implications are anticipated.
