**Assumptions Used in Arriving at Fiscal Estimate:**

The Department of Revenue (DOR) Chapter Tax 12 revisions modernize language and processes for assessor certification and training. The proposed changes include the following: remove the word "classroom" to reflect online/electronic instruction, remove the "notarized" application requirement, reduce the minimum course hours to 30 minutes from 2.5 hours to reflect the move from classroom to electronic training, remove requirements to physically mail requests for temporary assessor certification, require DOR to review assessor certification levels and justification every five years as opposed to every ten, and to clarify confusing or contradictory language.

There is no state fiscal effect. The changes will potentially decrease local government costs for travel, training, and temporary assessor certifications by an unknown amount.
