

Report to
Legislative Council Rules Clearinghouse
NR 350 Wis. Adm. Code
Natural Resources Board Order No. WT-02-19

Federal Statutes or Regulations That Establish Authority or are Relevant to the Substance of the Proposed Rule

Federal regulations that are directly relevant to the rule include 33 CFR Part 332 – Compensatory Mitigation for Aquatic Resources, which sets requirements for wetland mitigation for impacts to federal wetlands and regulates all mitigation projects, and the Guidelines for Wetland Compensatory Mitigation in Wisconsin (a joint document between USACE and WI DNR), which establishes processes and operational standards for mitigation decision-making, mitigation banks, and permittee-responsible mitigation standards.

Court Decisions Directly Relevant

There are no court decisions with direct relevance to the proposed rule.

Description of any Forms (attach copies if available)

No new forms are proposed in this rule.
