ORDER OF THE PUBLIC SERVICE COMMISSION OF WISCONSIN

AMENDING RULES

Pursuant to authority vested in the Public Service Commission of Wisconsin by chapter 194, Wisconsin Statutes, the Public Service Commission of Wisconsin hereby orders:

1. That rules be repealed, amended, and adopted as follows:

Sections PSC 25.01 and PSC 25.05 of the Wisconsin Administrative Code are amended to read:

"PSC 25.01. Filing Tariffs. (1) All common motor carriers rendering C.O.D. service are required to file tariffs including the rules, regulations, and charges relating to C.O.D. service set forth in section PSC 25.03, unless the alternative provisions provided in section PSC 25.05, Wisconsin Administrative Code, have been adopted and properly filed in tariff form in accordance with the provisions of that section.

(2) All common motor carriers, rendering C.O.D. service, are required to comply with the provisions of the rules, regulations, and charges contained in their tariffs properly filed under the provisions of sections PSC 25.01 and PSC 25.05, Wisconsin Administrative Code.

PSC 25.05

Wisconsin intrastate common motor carriers of property may, in lieu of the provisions of PSC 25.03, adopt the rules, regulations, and charges applicable to C.O.D. shipments published in the currently effective publication of National Motor Freight Classification, supplements thereto, or reissues thereof, and make effective by proper tariff publication with the Public Service Commission of Wisconsin, in lieu of the rules, regulations, and charges included in section PSC 25.03. Such adoption by tariff publication shall not in any way relieve the carrier from compliance with the requirements of section PSC 25.02."

2. That a certified copy of this order be filed with the Secretary of State, the Revisor of Statutes, and the Legislative Council.

3. That this order, except for items numbered 2. and 3. be printed once in the official State newspaper.

Dated at Madison, Wisconsin, this 22nd day of December, 1955.

By the Commission.

Edward T. Kaveny
