(e) Muskrats taken in beaver traps. 1. Any person duly licensed pursuant to section 29.132, Wis. Stats., may salvage not to exceed eight muskrats which are taken in beaver traps during the open season for beaver and incidental to the licensee's beaver trapping operations.

2. All such muskrat pelts shall be tagged with a metal tag immediately when the animal is taken; such tags to be furnished by the Conservation Commission upon request. Any unused tags so furnished shall be returned to the Commission at the time the licensee makes his beaver trapping report pursuant to section 29.132 (4), Wis. Stats.

3. All muskrat pelts taken pursuant to this section shall be exhibited for inspection, together with any beaver pelts taken, in the same manner as is provided for presenting beaver by section 29.132 (3) (a), Wis. Stats.

(f) Tagging of otter pelt and carcass. The pelt and carcass of all otter taken by any trapper shall be exhibited to a conservation warden by the trapper within 5 days after the close of the otter trapping season. The conservation warden shall thereupon attach and lock to each such pelt a metal tag and it shall be unlawful for any person to have in possession or under control any otter pelt taken during such open season without such tag attached as provided herein. For each such otter carcass surrendered to the conservation warden, the State Conservation Commission will pay to the trapper the sum of \$2. Such pelts and carcasses taken during the aforesaid open season for trapping otter beginning on March 27 and extending through April 10 shall be exhibited and tagged as provided herein in the county where trapped.
