PSC 22.02 Routes

PSC 22.01 Permissive authority. Every common motor carrier of property, unless otherwise restricted, shall be permitted under its certificate to engage in pickup-and-delivery service:

(1) At points within 1 mile of the corporate limits of any incorporated city or village located wholly outside Milwaukee county which its certificate authorizes it to serve and which points are located within municipalities contiguous to the incorporated city or village which its certificate authorizes it to serve.

(2) At any point which is not within an incorporated city or village and which is within 1 mile from its highway route where the same passes through an unincorporated municipality, but no common carrier of property shall be under obligation to render any such off-route service, except upon its own undertaking.

History: 1-2-56; am. intro. par. and (1), Register, August, 1964, No. 104, eff. 1-1-65.

PSC 22.02 Routes. No common motor carrier of property shall operate except on routes specifically designated in its certificate except as to pickup and delivery service within the corporate limits of cities and villages on such routes, and except as herein authorized.

PSC 22.03 Exceptions; hearing. Jurisdiction is retained, to except individual carriers from the terms hereof after due hearing, where the facts require or warrant findings different from and inconsistent with the terms of this chapter.
