

credit shall be in driver education and shall include experience in teaching practice driving. Teachers have a minimum preparation of 2 semester hours' credit in basic driver education, who have been teaching driver education regularly for at least one of the past 2 years and who meet the requirements in a and b above, will be approved until July 1, 1963. After this date, all teachers shall meet the 6 credit requirement.

4. The maximum materials fee that may be charged for an approved course is \$5. For students who are not residents of the district, a tuition fee may also be charged. However, in no case may the total of the materials fee, tuition, and aid exceed the actual cost of instruction.

5. Aid shall be paid for the following categories of students:

a. Any person under 18 years of age.

b. Students 18 or 19 years of age who during the school year are regularly enrolled in a high school or in a high school program in a school of vocational and adult education. Students who are 18 or 19 years of age remain eligible in the summer following their graduation from high school, if they graduated during the preceding school year.

6. Vocational and adult school districts applying for this aid shall report annually to the state board of vocational and adult education upon the number of students and such other detailed information relative to the names and qualifications of teachers and expenditures for salaries, equipment, and supplies for the course as may be required.

(c) Aids shall be paid for programs taught in part by a public high school and in part by a vocational and adult education school.

1. Such programs shall be established by action of both the board of education of the district operating the high school and the local board of vocational and adult education who are involved. Each board shall be responsible for that portion of the program taught as a part of its curriculum. However, the entire program shall be reported for approval by one of the schools. Aid will be claimed by and paid to the reporting school. Any distribution of the aid may be made locally as agreed upon between the respective boards of education. The responsibility for reporting, receiving the aid, and distributing the aid to the respective districts shall be specified in the action establishing the cooperative program.

2. Appropriate requirements in sections (a) and/or (b) of this rule shall apply.
