NR 20.01 Closed seasons. There shall be and are provided and established the following open and closed seasons, bag limits, size limits, possession limits and other regulations for the several varieties and species of fish, crayfish, and frogs in the waters within the state of Wisconsin. A closed season is established for each variety of fish, crayfish and frogs named in this chapter extending during all the time of the year except the open season period embraced within the specified dates, both inclusive, and except as otherwise expressly provided no person shall take, catch or kill fish of any variety in excess of the daily bag limit and no person shall take, catch or kill fish, or fish for fish by any means other than hook and line, nor at any time other than the open season therefor, nor have in his possession or under his control any fish, crayfish, or frogs in excess of the possession limit, or below the minimum size therefor during the open season.
