Each card in a set differs from all others with respect to the distribution of playing numbers. Any number of cards may be supplied to a licensed organization and sold or rented to players at any bingo occasion, provided that all cards so supplied or sold or rented are drawn from a standard set of bingo cards.

Bgo 1.03 Code symbol of supplier. Before any bingo card becomes the property of a licensed organization, there shall be printed or otherwise permanently marked on it a symbol assigned to the supplier of the card by the executive secretary. The symbol need not be marked more than once on any grouping of regular cards permitted under section Bgo 1.06.

Bgo 1.07 Groupings of bingo cards; fees for groupings. Any number of bingo cards in a standard set of bingo cards may be printed as a group on a single sheet, or may be manufactured in the form of a pad, and may be so supplied to a licensed organization and so sold or rented to players, provided that:

(1) No person is obliged to pay more than \$1 for admission to any bingo occasion;

(2) Each person admitted to a bingo occasion, other than limited period bingo, is furnished with a regular bingo card enabling him to play in all regular bingo games conducted at such bingo occasion;

(4) The fee charged for a grouping of special bingo cards on a single sheet or in the form of a pad does not exceed 25¢ multiplied by the number of cards so grouped.

Bgo 1.08 Markers. The shape of a marker used on a regular or extra regular bingo card shall be a marker's three dimensional quality which depends on the relative position of all points composing its outline, surface, or physical or spatial form.

Bgo 1.09 Prohibited advertising matter. No advertising matter shall be printed or otherwise marked on any bingo card or grouping of bingo cards, except the name, mark or symbol of its manufacturer or printer, the code symbol of its licensed supplier, and the name of the licensed organization which owns it.
