LABOR AND HUMAN RELATIONS)

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETINGS:

I, Stephen J. Reilly, Executive Secretary of the Department of Industry, Labor and Human Relations, and custodian of the official records of said Department, do hereby certify that the attached rules to Wisconsin Administrative Code Chapter Ind 69, Fee Schedule, were adopted by the Department of Industry, Labor and Human Relations on December 9, 1974.

I further certify that said copy has been compared by me with the original on file in this Department and that the same is a true copy thereof and of the whole of such original.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the official seal of the Department at the Capitol, in the City of Madison, this 10 day of December, A.D., 1974.

Stephen J. Reilly, Executive Secretary

ORDER OF

DEPARTMENT OF INDUSTRY, LABOR AND HUMAN RELATIONS

Pursuant to authority vested in the Department of Industry, Labor and Human Relations by sections 101.01 to 101.20, Wis. Stats., the Department of Industry, Labor and Human Relations hereby repeals, recreates and adopts rules of Wisconsin Administrative Code Chapter Ind 69, Fee Schedule.

The rules attached hereto shall become effective on the first day of the month following publication in the Wisconsin Administrative Code as provided in section 227, Wis. Stats., with the following exception:

Section Ind 69.12 shall become effective January 1, 1976.

WISCONSIN ADMINISTRATIVE CODE
CHAPTER IND 69
FEE SCHEDULE

Chapter Ind 69, Fee Schedule, to be repealed and recreated to read:

Ind 69.01 SCOPE. The fees fixed in this code shall be assessed and collected by the department for inspections, plan examinations and approvals, certifications, registrations, licenses, etc. as outlined in the following sections. The fees shall apply to public buildings and structures, places of employment and components thereof; mobile homes; systems for the storage of anhydrous ammonia, flammable and combustible liquids, liquefied petroleum gas and liquefied natural gas; migrant labor camps; petroleum products; and all other services and devices for which authority to fix and collect fees is provided in the Wisconsin Statutes.

Note: The word "department" referred to in this code means the department of industry, labor and human relations.

Ind 69.02 PAYMENT OF FEES. All checks or money orders are to be made payable to Wisconsin Department of Industry, Labor and Human Relations; mailing address: P. O. Box 2209, Madison, Wisconsin 53701. All fees shall be received by the department before the approval, inspection or other service is provided by the department.

Ind 69.03 BOILERS, PRESSURE VESSELS AND WISCONSIN SPECIAL VESSELS.

(1) Boiler inspection fees. Inspection fees for boilers will be determined in accordance with the following schedule:

<u>Heating Surface</u>	<u>Internal Inspection</u>	<u>External Inspection</u>
(a) Miniature boilers of 20 sq. ft. of heating surface or less.	\$ 5.00	\$ 5.00
(b) Power boiler over 20 sq. ft. and not exceeding 100 sq. ft. of heating surface	12.00	7.50
(c) Power boiler over 100 sq. ft. and not exceeding 250 sq. ft. of heating surface	17.50	12.50
(d) Power boiler over 250 sq. ft. and not exceeding 1000 sq. ft. of heating surface.	25.00	15.00
(e) Power boiler over 1000 sq. ft. and not exceeding 2500 sq. ft. of heating surface.	40.00	25.00
(f) Power boiler over 2500 sq. ft. and not exceeding 10,000 sq. ft. of heating surface.	50.00	25.00
(g) Power boiler over 10,000 sq. ft. and not exceeding 30,000 sq. ft. of heating surface.	75.00	30.00
(h) Power boiler over 30,000 sq. ft. of heating surface.	100.00	40.00

	<u>Internal Inspection</u>	<u>External Inspection</u>
(i) Low pressure steam heating and water heating boiler without manhole	15.00	15.00
(j) Low pressure steam heating and water heating boiler with manhole.	25.00	15.00

(2) Pressure vessel fees. Inspection fees for pressure vessels will be determined in accordance with the following schedule:

<u>Volume in cubic feet</u>	<u>Internal Inspection</u>	<u>External Inspection</u>
(a) 1 to 50	\$ 5.00	\$ 5.00
(b) 51 to 200	10.00	7.50
(c) 201 to 500	25.00	10.00
(d) Over 500	30.00	15.00

(3) Wisconsin special vessel plan examination and approvals. Plans indicating the design, construction details, design computations and specifications for special boilers or pressure vessels shall be submitted for examination and approval. Plan examination and approval fees will be determined in accordance with the following schedule:

<u>Capacity in cubic feet</u>	<u>Cost per plan</u>
(a) 1 to 25.	\$10.00
(b) Over 25 to 50.	20.00
(c) Over 50.	30.00

(4) Reinspection fee. A fee of \$15.00 shall be assessed for inspections made by the department to gain compliance with the rules of Wis. Adm. Code chapters Ind 41-42; Boiler and Pressure Vessel Code, after orders have been issued by the department.

(5) Registration fee. The installing contractor of a new or secondhand boiler or pressure vessel shall register the installation with the department before the installations are placed in operation. The registration fee is \$5.00.

(6) Alteration and repair fees. An owner reporting alteration or repair to a boiler or pressure vessel, as required by the provisions of Wis. Adm. Code subsection Ind 42.01 (2), shall remit a fee of \$5.00 with each alteration or repair report.

(7) Certificate of operation. The department will issue a certificate of operation for each boiler or one or more pressure vessels upon receipt of a \$3.00 fee and the inspection report indicating the equipment satisfies the minimum operating standards specified in chapter Ind 41.

- (8) Fee for failure to have boiler or pressure vessel ready for inspection. The owner will be assessed a fee equal to 50% of the applicable inspection fee for failure to have the boiler or pressure vessel ready for inspection on the date specified unless the owner notifies the department in writing 7 days prior to the specified inspection date.
- (9) Special inspections. Fees for special inspections for alterations, fabrication, repairs, testing, and quality assurance methods that are provided on request will be assessed as follows:
 - (a) For individual special inspections performed between the hours of 7:45 A.M. and 4:30 P.M. on weekdays, Monday through Friday. \$12.00 per hour per inspector
 - (b) For individual special inspections performed on Saturdays, Sundays, holidays and at times other than scheduled in Ind 69.03(9)(a). . \$18.00 per hour per inspector
 - (c) For costs incurred in the performance of special inspections, an additional amount will be charged to cover expenses including travel time, mileage, meals and lodging. Travel expenses, however, will be limited to those allowed under department employee travel regulations.
- (10) Insurance company assessments. When inspection reports filed by a certified inspector employed by an insurance company are found to be incomplete, invalid or unacceptable for any reason, the department may inspect the installation. If an inspection is made, the insurance company will be assessed a fee in accordance with the above schedules.
- (11) Certificates of competency. Insurance company employes eligible to be examined for competency as a boiler inspector shall submit with the proper application form an examination fee of \$30.00.
 - (a) Boiler inspectors receiving a reciprocal certificate of competency by qualifying as a member of the National Board of Boiler and Pressure Vessel Inspectors shall submit with their application form a fee of \$25.00.
 - (b) An applicant who fails the scheduled examination need not submit an additional examination fee when the application for reexamination is filed within 12 months from the date of the previous examination.
 - (c) The annual renewal fee for certificates of competency is \$10.00.

Ind 69.04 MECHANICAL REFRIGERATION SYSTEMS.

- (1) Inspection fees. For the purpose of assessing the inspection fee, the capacity of a mechanical refrigeration system will be determined in tons. One ton of refrigeration capacity shall be the equivalent of abstracting heat at the rate of 12,000 BTU per hour. The inspection fees will be determined in accordance with the following schedule:

<u>Capacity in tons</u>	<u>Inspection fee</u>
(a) Less than 3.	Exempt
(b) 3 to 25.	\$ 7.50
(c) 26 to 100.	10.00
(d) 101 to 250.	15.00
(e) 251 to 500.	20.00
(f) 501 to 750.	30.00
(g) 751 to 1000.	50.00
(h) Over 1000.	75.00

(2) Certificate of operation. The department will issue a certificate of operation upon receipt of a \$3.00 fee for each mechanical refrigeration system and the inspection report indicating the equipment satisfies the minimum operating standards specified in chapter Ind 45.

(3) Registration fee. The installing contractor of a mechanical refrigeration system shall register the equipment with the department before the equipment is put in operation. The registration fee is \$5.00.

(4) Special inspections. Fees for special inspections for alterations, fabrication, repairs, testing, and quality assurance methods that are provided on request will be assessed as follows:

- (a) For individual special inspections performed between the hours of 7:45 A.M. and 4:30 P.M. on weekdays, Monday through Friday. \$12.00 per hour per inspector
- (b) For individual special inspections performed on Saturdays, Sundays, holidays and at times other than scheduled in Ind 69.04(4)(a). . . . \$18.00 per hour per inspector
- (c) For costs incurred in the performance of special inspections, an additional amount will be charged to cover expenses including travel time, mileage, meals and lodging. Travel expenses, however, will be limited to those allowed under department employe travel regulations.

Ind 69.05 ANHYDROUS AMMONIA SYSTEMS.

(1) Plan examination and approval fee. The owner or user shall remit a fee of \$25.00 for plan examination and approval of each new facility for the handling or storage of anhydrous ammonia.

(2) Inspection fee. A fee of \$25.00 for the external inspection of each new anhydrous ammonia tank and system shall be submitted at the time of plan approval. The inspection at each bulk tank plant or other location must be conducted before the system is put in operation.

(3) Special inspections. Fees for special inspections for alterations, fabrication, repairs, testing, and quality assurance methods that are provided on request will be assessed as follows:

- (a) For individual special inspections performed between the hours of 7:45 A.M. and 4:30 P.M. on weekdays, Monday through Friday. \$12.00 per hour per inspector
- (b) For individual special inspections performed on Saturdays, Sundays, holidays and at times other than scheduled in Ind 69.05(3)(a). . . . \$18.00 per hour per inspector
- (c) For costs incurred in the performance of special inspections, an additional amount will be charged to cover expenses including travel time, mileage, meals and lodging. Travel expenses, however, will be limited to those allowed under department employe travel regulations.

Ind 69.06 ELEVATORS, POWER DUMBWAITERS, ESCALATORS, MOVING WALKS AND RAMPS, PERSONNEL HOISTS, AND TOWER ELEVATORS.

(1) Plan approval and examination fees. Plans shall be submitted for each elevator and personnel hoist installation in accordance with Wis. Adm. Code section Ind 4.04 (elevators) and Wis. Adm. Code section Ind 44.01 (personnel hoists). The plan examination and approval fee for each installation will be determined at the rate of 6/10 of 1% of cost--minimum fee \$25.00. Remittance of the fee shall be made at the time the plans are submitted.

(2) Inspection fees. Inspection fees will be determined in accordance with the following schedule:

- (a) Class 1, Class 2, Class 3, Class 5, Class 6, and Class 7 . . . \$15.00
 - 1. Plus each additional landing 2.00
- (b) Class 4 and Class 8--see fees for special inspections, Ind 69.06 (5)
- (c) Reinspections on all units to determine compliance 15.00

Note: Any elevator or dumbwaiter classification may be identified by number of landings. Example: A 6-landing passenger elevator would be classified as Class 2-6.

(3) Insurance company assessments. When inspection reports filed by a certified inspector employed by an insurance company are found to be incomplete, invalid or unacceptable for any reason, the department may inspect the installation. If an inspection is made, the insurance company will be assessed a fee in accordance with the schedule in subsection Ind 69.06 (2).

(4) Certificate of operation. The department will issue a certificate of operation upon receipt of a \$5.00 fee for each elevator and the inspection report indicating the equipment satisfies the minimum operating standards specified in chapter Ind 4.

(5) Special inspections. Fees for special inspections for alterations, fabrication, repairs, testing, quality assurance methods, and new devices that are provided on request will be assessed as follows:

- (a) For individual special inspections performed between the hours of 7:45 A.M. and 4:30 P.M. on weekdays, Monday through Friday. \$12.00 per hour per inspector
- (b) For individual special inspections performed on Saturdays, Sundays, holidays and at times other than scheduled in Ind 69.20(5)(a). . . . \$18.00 per hour per inspector
- (c) For costs incurred in the performance of special inspections, an additional amount will be charged to cover expenses including travel time, mileage, meals and lodging. Travel expenses, however, will be limited to those allowed under department employe travel regulations.

(6) Certificates of competency. Insurance company employes eligible to be examined for competency as an elevator inspector shall submit with the proper application form an examination fee of \$30.00.

- (a) An applicant who fails the scheduled examination need not submit an additional examination fee when application for reexamination is filed within 12 months from the date of the previous examination.
- (b) The annual renewal fee for certificates of competency is \$10.00.

Ind 69.07 AMUSEMENT RIDES AND DEVICES.

(1) Fees. Fees for the review of test data, inspections and registration of amusement rides and devices will be determined according to the following schedule:

- (a) Review of test data. \$25.00 per review
- (b) Inspection:
 - 1. Single device or ride. \$30.00
 - 2. Two or more devices or rides 20.00 per device or ride
- (c) Annual registration--each device or ride . . . 5.00

Ind 69.08 MOBILE HOMES.

(1) General. For the purpose of assessing the fees for plan examination and inspection, a mobile home shall be defined as specified in Wis. Adm. Code chapter Ind 14, Mobile Homes.

(2) Plan review, certification, annual license and inspection fees. Fees for plan review, certification, annual license and inspection will be determined in accordance with the following schedule:

- (a) Plan review:
 - 1. Mobile home plans. \$ 10.00 per man hour
 - 2. Annual inspection agency plan. \$100.00
- (b) Certification label, each. \$ 15.00

- (c) Annual license, each manufacturer, each location . . \$100.00
- (d) Inspections, such as out-of-state inspections;
legitimate complaint investigation; and
monitoring \$15.00 per man hour of travel and inspection
time not exceeding 10 hours per day, plus
actual travel expenses

(3) Plumbing fees. Fees for the review of plumbing plans will be determined in accordance with the following schedule:

- (a) Plan review. \$35.00
- (b) Alteration to plan 35.00

Note: The following is taken from Wis. Adm. Code section H 62.25 and relates to fees charged in the examination of mobile home plumbing plans by the department of health and social services, division of health:

H 62.25 (3) (a) 2. "Fee adjustment. Examination fees may be adjusted biennially commencing on July 1, 1975 in direct proportion with the salary increases granted staff review personnel."

H 62.25 (3) (b) 3. "Mobile and manufactured homes, each model or change to approved model, \$35."

Ind 69.09 BUILDINGS, STRUCTURES, HEATING AND VENTILATING.

(1) Plan examination and approval fees. Fees for the examination and approval of all plans submitted in accordance with the requirements of Wis. Adm. Code chapters Ind 20, Ind 21, and Ind 50-64 will be determined according to the following schedule:

- (a) General building plans \$0.35 per 1000 cubic feet.
Minimum fee--\$20.00 per plan.
- (b) Heating and ventilating plans. \$0.25 per 1000 cubic feet.
Minimum fee--\$12.00 per plan.

(The simple replacement of a boiler or a furnace in an existing heating system with no alterations to the heating system requires no fee. See Ind 69.03 (5) for registration fee for boilers and pressure vessels.)

- (c) Permit to start. \$26.00 per plan for cursory
plan review.
- (d) Alteration plans for buildings and
structures and heating and ventilating . . \$1.50 for every \$1000 or fraction
of \$1000 estimated cost. Minimum
fee--\$10.00 per plan.

(Estimated fee need not include cost of razing, plumbing, electrical, painting or decorating.)

- (e) Revisions to previously examined plans . . . \$10.00 per plan.

(Applies when plans are revised, for reasons other than those that were requested by the department, before construction of the specific item commences.)

- (f) Structures \$20.00 per plan.

(Applies when submitted separately and not included with general building plans, such as foundations, trusses, precast, fire escapes, bleachers, canopies and other structures.)

- (g) Stadia and grandstands \$8.00 per 1000 seats or fraction of 1000 seats.

- (h) Industrial exhaust systems for dusts, fumes, vapors and gases. \$25.00 per plan.

- (i) Spray booth plans. \$15.00 per plan.

- (j) Petitions for modification \$50.00 per petition.

- (k) Approval numbers \$100.00 per approval.

Note: For the purpose of determining the examination and approval fees for the building, heating and ventilating plans, the volume is determined by the overall outside dimensions of length, width and height.

(2) Inspection fees. Inspection fees shall be remitted for each building or structure to insure that the construction or installation is in accordance with the approved plans. The inspection fees shall be equivalent to the inspection fee specified in section 101.19, Wis. Stats. Remittance of the inspection fee shall be made at the time the plans are submitted and will be determined in accordance with the following schedule:

(a) General building inspections:

<u>New building construction (cu. ft.)</u>	<u>Alteration or repair (\$ amount)</u>	<u>Fee</u>
Up to 25,000 cubic feet	Up to \$25,000	\$15.00
25,001 - 100,000 cubic feet	\$ 25,001 - \$ 100,000.	30.00
100,001 - 500,000 cubic feet	\$ 100,001 - \$ 500,000.	45.00
500,001 - 1,000,000 cubic feet	\$ 500,001 - \$1,000,000.	60.00
1,000,001 plus cubic feet	\$1,000,001 and over	75.00

- (b) Heating and ventilating inspection--plans submitted separately from the building plans \$25.00
- (c) Alteration inspection for buildings and structures \$15.00
- (d) Alteration inspection for heating and ventilating. \$15.00
- (e) Other inspections for plans submitted under Ind 69.09 (1). . . . \$15.00

(3) Collection of fees. All fees shall be remitted at the time the plans are submitted. No plan examinations, approvals or inspections will be made until the fees are received.

- (4) Microfilm fees. Microfilm prints of approved plans for the years 1967-1972 are available at a nominal cost.

Ind 69.10 STORAGE TANKS: FLAMMABLE AND COMBUSTIBLE LIQUIDS, LIQUEFIED PETROLEUM GAS AND LIQUEFIED NATURAL GAS.

- (1) Plan examination and approval fees. Fees for the review and approval of plans for tanks used for the storage of flammable and combustible liquids, liquefied petroleum gas and liquefied natural gas will be determined in accordance with the following schedule:

Tank capacity

- (a) 100,000 gallons or less. \$10.00 each
- (b) Over 100,000 gallons \$30.00 each

- (2) Inspection fee. An inspection fee of \$25.00 for each tank at bulk plants, service stations or other locations shall be remitted at the time the plans are submitted.

Ind 69.11 PETROLEUM PRODUCTS.

- (1) Oil inspection fee. An oil inspection fee shall be remitted to the department at the rate of 1-3/4 cents for each 50 gallons of petroleum product from which a sample is taken for the fiscal year beginning July 1, 1974.

NOTE: Section Ind 69.12 following is effective January 1, 1976.

Ind 69.12 MIGRANT LABOR CAMPS.

- (1) Registration fee. A registration fee of \$10.00 annually shall be submitted to the department for a certificate of operation prior to April 1 or 30 days prior to the opening of a new migrant labor camp. A late registration fee of \$25.00 shall be submitted to the department for a certificate of operation for all owners or operators of migrant labor camps who fail to make application by April 1 or within 30 days prior to the opening of a new migrant labor camp.
- (2) Certificate of operation. The department will issue an annual certificate of operation for each migrant labor camp after the registration fee has been received and the department determines the camp is in compliance with the rules for migrant labor camps.

Ind 69.13 STRUCTURAL WELDER CREDENTIALS.

- (1) Persons eligible to be examined as a certified welder shall submit with the proper application form a fee of \$10.00.
- (2) The annual renewal fee or the fee for duplication of credentials is \$5.00.

Ind 69.14 SKI LIFTS AND TOWING DEVICES.

(1) Plan examination and approval fee. Fees for the review and approval of plans will be determined in accordance with the following schedule:

- (a) Gondolas \$150.00 per plan
- (b) Chairs \$100.00 per plan
- (c) Surface tows \$60.00 per plan

(Surface tows include T-bar, J-bar, platter, rope tow, wire rope tow and other similar devices.)

(2) Inspection fees for new installations. Fees for the inspection of new installations will be determined at the following rates:

	<u>Each Installation</u>
(a) Gondolas	\$100.00
(b) Chairs	100.00
(c) Surface tows	60.00
(d) Rope tows.	30.00

(3) Subsequent annual inspections. Fees for subsequent annual inspections will be determined at the following rates:

	<u>Each Installation</u>
(a) Gondolas	\$50.00
(b) Chairs	50.00
(c) Surface tows	30.00
(d) Rope tows.	15.00

(4) Special inspections. Fees for special inspections for alterations, fabrication, repairs, testing, and quality assurance methods that are provided on request will be assessed as follows:

- (a) For individual special inspections performed between the hours of 7:45 A.M. and 4:30 P.M. on weekdays, Monday through Friday. \$12.00 per hour per inspector
- (b) For individual special inspections performed on Saturdays, Sundays, holidays and at times other than scheduled in Ind 69.14(4)(a). . . . \$18.00 per hour per inspector
- (c) For costs incurred in the performance of special inspections, an additional amount will be charged to cover expenses including travel time, mileage, meals and lodging. Travel expenses, however, will be limited to those allowed under department employe travel regulations.

- (5) Certificate of operation. The department will issue a certificate of operation upon receipt of a \$5.00 fee for each device and the inspection report indicating the device(s) satisfy the minimum operating standards specified in chapter Ind 46.
