Ins 3.01 Accumulation benefit riders attached to health and accident policies. Except where such rider is used only on a policy replacing the company's own policy, and so recites, no rider providing for accumulations of benefits will be approved for use upon any policy of health and accident insurance, whether it is proposed to issue such rider with or without an additional premium. Such rider operates as an aid to twisting the policies of another company in such manner as to make its use a direct encouragement of this practice.

Ins 3.02 Automobile fleets, vehicles not included in. Individually owned motor vehicles cannot be included or covered by fleet rates. The determining factor for inclusion under fleet coverage must be ownership and not management or use.

Ins 3.04 Dividends not deducted from premiums in computing loss reserves. Premiums returned to policyholders as dividends may not be deducted from the earned premiums in computing loss reserves under section 623.04, Wis. Stats.

Ins 3.09 Mortgage guaranty insurance. (1) **PURPOSE.** This rule implements and interprets, including but not limited to, subsection 201.04 (19) of Ins 6.70 and sections 611.02, 611.24, 618.01, 618.21, 620.02 and 623.04, Wis. Stats., for the purpose of establishing minimum requirements for the transaction of mortgage guaranty insurance.

(2) **SCOPE.** This rule shall apply to the underwriting, investment, marketing, rating, accounting and reserving activities of insurers which write the type of insurance authorized by subsection 201.04 (19) of Ins 6.70.

(3) **DEFINITIONS.** (a) Mortgage guaranty insurance is that kind of insurance authorized by subsection 201.04 (19) of Ins 6.70, and includes the guarantee of the payment of rentals under leases of real estate in which the lease extends for 3 years or longer.

(b) As used in this rule, "person" means any individual, corporation, association, partnership or any other legal entity.

(4) **DISCRIMINATION.** No mortgage guaranty insurer may discriminate in the issuance or extension of mortgage guaranty insurance on the basis of the applicant's sex, marital status, race, color, creed or national origin.

(5) **LIMITATION OF TOTAL LIABILITY ASSUMED.** A mortgage guaranty insurer shall not at any time have outstanding a total liability under its aggregate insurance policies, computed on the basis of its election to limit coverage and net of reinsurance assumed and of reinsurance ceded to an insurer authorized to transact such reinsurance in this state, exceeding 25 times the sum of its contingency reserve established under subsection (14) and its surplus as regards policyholders.

(6) **LIMITATION ON INVESTMENT.** A mortgage guaranty insurer shall not invest in notes or other evidences of indebtedness secured by mortgage or other lien upon real property. This section shall not apply to obligations secured by real property, or contracts for the sale of real property, which obligations or contracts of sale are acquired in the course of the good faith settlement of claims under policies of insurance issued by the mortgage guaranty insurer, or in the good faith disposition of real property so acquired.

(7) **LIMITATION ON ASSUMPTION OF RISKS.** A mortgage guaranty insurer shall not insure loans secured by properties in a single or contiguous housing or commercial tract in excess of 10% of the insurer's admitted assets. A mortgage guaranty insurer shall not insure a loan secured by a single risk in excess of 10% of the insurer's admitted assets. In determining the amount of such risk or risks, the insurer's liability shall be computed on the basis of its election to limit coverage and net of reinsurance ceded to an insurer authorized to

exhausted or until the injured person is deceased. Should the injured person become deceased and there is a balance in his account allocation, that amount shall be returned to the insurer, organization or person responsible for establishing the account.

Ins 3.38 Coverage of newborn infants. (1) **PURPOSE.** This section is intended to interpret and implement section 632.91, Wis. Stats.

(2) **INTERPRETATION AND IMPLEMENTATION.** (a) Coverage of each newborn infant is required under a disability insurance policy if 1. the policy provides coverage for another family member, in addition to the insured person, such as the insured's spouse or a child, and 2. the policy specifically indicates that children of the insured person are eligible for coverage under the policy.

(b) Coverage is required under any type of disability insurance policy as described in paragraph (a), including not only policies providing hospital, surgical or medical expense benefits, but also all other types of policies described in paragraph (a), including accident only and short term policies.

(c) The benefits to be provided are those provided by the policy and payable, under the stated conditions except for waiting periods, for children covered or eligible for coverage under the policy.

(d) Benefits are required from the moment of birth for covered occurrences, losses, services or expenses which result from an injury or sickness condition, including congenital defects and birth abnormalities of the newborn infant to the extent that such covered occurrences, losses, services or expenses would not have been necessary for the routine postnatal care of the newborn child in the absence of such injury or sickness. In addition, under a policy providing coverage for hospital confinement and/or in-hospital doctor's charges, hospital confinement from birth continuing beyond what would otherwise be required for a healthy baby (e.g. 5 days) as certified by the attending physician to be medically necessary will be considered as resulting from a sickness condition.

(e) If a disability insurance policy provides coverage for routine examinations and immunizations, such coverage is required for covered children from the moment of birth.

(f) An insurer may underwrite a newborn, applying the underwriting standards normally used with the disability insurance policy form involved, and charge a substandard premium, if necessary, based upon such underwriting standards and the substandard rating plan applicable to such policy form. The insurer shall not refuse initial coverage for the newborn if the applicable premium, if any, is paid as required by section 632.91 (3), Wis. Stats. Renewal coverage for a newborn shall not be refused except under a policy which permits individual termination of coverage and only as such policy's provisions permit.

(g) An insurer receiving an application, for a policy as described in paragraph (a) providing hospital and/or medical expense benefits, from a pregnant applicant or an applicant whose spouse is pregnant, may not issue such a policy to exclude or limit benefits for the expected child. Such a policy must be issued without such an

exclusion or limitation, or the application must be declined or postponed.

(h) Coverage is not required for the child born, after termination of the mother's coverage, to a female insured under family coverage who is provided extended coverage for pregnancy expenses incurred in connection with the birth of such child.

(i) A disability insurance policy described in paragraph (a) shall contain the substance of section 632.91 (1), (2), (3) and (4), Wis. Stats.

(j) Policies issued or renewed on or after November 8, 1975, and before May 5, 1976, shall be administered to comply with section 204.325, Wis. Stats., contained in chapter 98, Laws of 1975. Policies issued or renewed on or after May 5, 1976, and before June 1, 1976, shall be administered to comply with section 632.91, Wis. Stats., contained in chapter 224, Laws of 1975. Policies issued or renewed on or after June 1, 1976, shall be amended to comply with the requirements of section 632.91, Wis. Stats.
