(2) The effective date of the statute is March 20, 1976.

H 27.02 Definitions. (1) Department means the Department of Health and Social Services.

(2) The formulary is the "Wisconsin Drug Formulary" as compiled and published by the Department with the advice of the Drug Quality Council.

(3) Cost means a cost determined by the Department as representative of the common acquisition cost of a drug product.
