ORDER ADOPTING RULES

Pursuant to authority vested in the Medical Examining Board by Sections 15.08(5), 227.08 and 448.40, Wis.Stats., the board hereby amends and adopts rules as follows:

Section Med 9.04 of the WISCONSIN ADMINISTRATIVE CODE is amended to read:

Notice and explanation. Upon denial of an application for license, the board shall notify the applicant in writing. If the reason for denial is the applicant's failure to achieve a passing grade in any required examination, the board shall state the grades achieved by the applicant in the case of a written examination and the reason for failure in case of an oral examination. If the denial of application for license is for any reason other than the applicant's failure to achieve a passing grade in the written examination, the applicant shall have a right to a hearing on the denial if written request therefore is filed with the board within 20 days after service of denial or is waived. The board shall make available to the applicant all materials in its possession which were used in reaching the decision to deny the license. If the decision was based upon the failure of the applicant to pass an oral examination, the board shall make available to the applicant any existing notes, recordings or transcripts relating to the oral examination. The applicant shall not be permitted to question the board members who conducted the examination. The burden of proving eligibility for licensure shall remain on the applicant.

The amendment contained herein shall take effect as provided in Section 227.026, Wis.STats.
