

(3) **OTHER EYE CONDITIONS.** Persons who have eye conditions other than described in subsection (2) may be required to be examined by a vision specialist to obtain a report on the condition and secure a recommendation. These other conditions may be, but are not limited to, double vision, "tunnel vision", cataracts, nystagmus, lateral or vertical imbalance. Applicants who have eye conditions which prevent issuance of an unrestricted license may or may not be issued a restricted license; the administrator shall consider the statement of findings and recommendations of the vision specialist, the safety of the motoring public, the need for a license, the area of travel, whether operation can be limited to daylight hours and the applicant's ability to otherwise qualify for a restricted license.

History: Cr. Register, March, 1968, No. 147, eff. 4-1-68; r. and recr., Register, July, 1970, No. 175, eff. 8-1-70.

MVD 14.08 Road sign test. (1) The road sign recognition test shall determine the applicant's ability to read and comprehend the meaning of a series of diagrams or silhouettes of common highway signs.

(2) The applicant's ability to read and understand highway signs will be scored on a pass or fail basis. The inability to explain all the signs in a series will constitute a failure of the test.

(3) Any person who fails a sign test may not take further examinations until a period of one day has elapsed since the previous examination. Any person who fails 4 such examinations may not take the fifth examination until he satisfies the division he has received competent instruction in reading and understanding road signs.

History: Cr. Register, March, 1968, No. 147, eff. 4-1-68.

MVD 14.09 Test on knowledge of traffic laws and evaluation of hearing. (1) The test on knowledge of traffic laws shall consist of a series of questions concerning traffic laws and rules of the road, vehicle equipment and safe driving practices. This test may be administered as a written examination or as an oral examination, as determined by the division, except no oral test will be given to a person applying for his or her first school bus operator license.

(2) A separate series of knowledge tests shall be used to qualify an operator for a school bus license, chauffeur license, (except those licensed under s. 343.125 (4) (a) Stats.) or for motor-driven cycle operation.

(3) In grading the knowledge test, a score of 75 or more of a possible 100 constitutes a passing grade. A score below 75 constitutes a failure of the test.

(4) Upon failure of the knowledge test for chauffeur license, school bus license, reinstatement of a license, or a previously licensed person who has moved to Wisconsin, a repeat examination may be taken no sooner than the following day after the test is failed. Applicants who fail the knowledge test for an instruction permit or for motor-driven cycle operation, may not take future examinations until a period of 7 days has elapsed since the previous examination. Any person who fails 4 examinations on knowledge of traffic laws may not take a fifth examination until a period of 90 days shall have elapsed since the previous examination, or until he satisfies the division that he has received competent instruction on rules of the road.

(5) At the time of examination for a license, a determination shall be made of the applicant's ability to hear. If the applicant is unable to hear the normal spoken voice, a determination shall be made of the apparent ability to hear normal traffic sounds. Persons who are unable to meet this requirement shall be restricted to the operation of a motor vehicle equipped with outside mirror and/or hearing aid provided they otherwise meet the license standards.

History: Cr. Register, March, 1968, No. 147, eff. 4-1-68; am. (1), Register, December, 1979, No. 288, eff. 1-1-80.
