STATE OF WISCONSIN
BEFORE THE
MEDICAL EXAMINING BOARD

IN THE MATTER OF RULEMAKING : ORDER OF THE MEDICAL
PROCEEDINGS BEFORE THE MEDICAL : EXAMINING BOARD REPEALING,
EXAMINING BOARD : AMENDING AND ADOPTING RULES

ORDER

Now therefore it is ordered that pursuant to authority vested in the Medical Examining Board in ss. 15.08(5), 227.014 and 448.40, Stats., the Medical Examining Board hereby amends rules interpreting s. 448.04(1)(b)3 and s. 448.02(3) of the statutes as follows:

Section 1. Section Med 4.05 of the Wisconsin administrative code is amended to read:

4.05 Practice limitations. The holder of a temporary camp physician or locum tenens license may engage in the practice of medicine or surgery as defined in section 448.01(9), Wis. Stats., providing such practice is confined to the camp or recreational facility or geographical area for which the license is issued. As used in s. 448.04(1)(b)3., Stats., the term, "temporarily maintaining the practice of another physician," includes providing emergency room services normally provided by another physician.

Section 2. Section Med 12.03(1) of the Wisconsin administrative code is amended to read:

(1) Upon receipt by the secretary of the board of information alleging unprofessional conduct on the part of a licensee, the secretary shall cause an investigation to be made by an agent or agents of the board to ascertain the probable facts of the matter. Each investigation shall be under the general supervision and direction of the secretary or another member of the board designated for that purpose by the secretary or chairman of the board. The member of the board who supervises and directs a particular investigation may in the course thereof exercise the full authority of the board to hold investigative hearings and subpoena witnesses to testify under oath in any proceeding. When an investigative hearing is scheduled it shall be preceded by a reasonable notice to the respondent specifying the general nature of the investigation. The member of the board who supervises and directs a particular investigation shall not participate in any adjudicatory function of the board regarding matters arising out of that particular investigation. Upon completion of the investigation the investigating member shall either file and serve a complaint and notice of hearing when probable cause is found therefor, or lay present the results of that investigation before the plenary board for determination by the board of further action, whether probable cause exists to support the filing of a complaint alleging unprofessional conduct.

The rule amendments contained in this order shall take effect on the first day of the month following publication in the Wisconsin administrative register, pursuant to s. 227.026(1), Wis. Stats.

Dated this 29 day of April, 1981.
