

Chapter Ag 103

MILK, UNIFORM STATEMENTS

Ag 103.01 Information required
Ag 103.02 Purpose

Ag 103.03 Records

Ag 103.01 Information required. Each operator of a licensed dairy plant purchasing or receiving milk or cream from the producer thereof, at each regular payment date, shall give to each producer delivering such milk or cream, a statement in writing containing the following information:

- (1) Period covered.
- (2) Total pounds of milk or cream delivered during such period; with itemized list showing daily weights unless such information is given patrons daily.
- (3) Average butterfat test.
- (4) (a) Total pounds of butterfat delivered; and
- (b) Price per pound of butterfat; and
- (c) Total amount due for the butterfat delivered; or
- (5) (a) Price per cwt. of 3.5 per cent milk F.O.B. plant; and
- (b) Price per 0.1 per cent fat variation above or below basis test; and
- (c) Price per cwt. of milk based on the test of farmer's milk; and
- (d) Total amount due for the milk delivered.
- (6) Deductions for:
 - (a) Transportation.
 - (b) Transportation taxes.
 - (c) Merchandise.
 - (d) Assignments.
 - (e) Advances.
 - (f) Other _____
- (7) Additions for: _____
- (8) Net amount due farmer.

Note: Subsection (4) to be used only when milk or cream is purchased on a butterfat basis. Subsection (6) to be used only when milk is purchased on a hundredweight basis.

Ag 103.02 Purpose. The purpose for which any addition or deduction not specified above is made shall be clearly set forth in the statement.

Ag 103.03 Records. Each such operator shall keep available, for a period of 2 years from each payment date, the accounts, records, and work sheets showing the price and hauling cost computation.
