**Ind 69.001 Scope.** The fees established in the following sections of this chapter shall be paid to the department of industry, labor and human relations for providing those services authorized in the Wisconsin Statutes.

**Note:** All checks or money orders are to be made payable to Wisconsin Department of Industry, Labor and Human Relations.

**History:** Cr. Register, August, 1980, No. 296, eff. 9-1-80; r. and recr. Register, June, 1982, No. 318, eff. 7-1-82.

**Ind 69.01 Fee adjustment.** Effective July 1, 1983, and thereafter, the fees specified in this chapter may be adjusted by the same percentage amounts, and on the same effective dates, as changes occur in the pay rate of employees of the state of Wisconsin.

**History:** Cr. Register, June, 1977, No. 258, eff. 7-1-77; r. and recr., Register, August, 1980, No. 296, eff. 9-1-80; r. and recr. Register, June, 1982, No. 318, eff. 7-1-82; r. (1), renun. (2) and am. Register, April, 1985, No. 352, eff. 5-1-85.

**Ind 69.02 Handling, copying and miscellaneous fees. (1) HANDLING FEES.** The department may charge a \$13.00 handling fee to offset administrative costs.

(2) **PHOTOCOPYING FEES.** A photocopying fee of \$.15/page may be charged.

(3) **PLAN REPRODUCTIONS FEES.** A fee of \$5.00/sheet will be charged for plan reproduction.

(4) **MICROFILM FEES.** Microfilm prints of approved plans for the years 1967-1972 are available at the cost of reproduction.

(5) **MAILING LISTS.** Mailing lists may be obtained for a fee of \$20 for the first 1,000 names and \$5.00 for each 1,000 names thereafter. This fee shall be doubled, if gummed labels are requested.

(6) **INSPECTION AND COPYING OF PLANS AND SPECIFICATIONS.** The department shall allow inspection and copying of all plans, specifications and related materials filed with the department, except as follows:

(a) The department may restrict on a case by case basis, the right of inspection or copying of plans, specifications and related materials where the possible harm to the public interest outweighs the benefits of inspection or copying. The department will restrict inspection or copying of plans, specifications and related materials for the following types of buildings:

1. Banks, savings and loans, credit unions, securities dealers and other types or parts of buildings where large sums of money, negotiable securities or valuables are stored in secured areas;

2. Jails and other correctional institutions;

3. Public facilities regularly used for the storage or evaluation of evidence in criminal proceedings;

4. Armories;

5. Public broadcasting facilities;

6. Power generating facilities; and

7. Museums and libraries.

(b) The department shall allow inspection or copying of plans, specifications and related materials of all buildings in response to lawful subpoena, or in response to written requests from law enforcement agencies.

(c) Prior to any inspection or copying of plans, specifications and related materials, a written, signed application shall be obtained from the person requesting the inspection or copying. The application shall contain a general description of the premises for which inspection or copying is requested and the full name and address of the requester. The written request shall contain a statement that any information obtained from the inspection or copying shall not be used for any unlawful purpose or unfair competitive practice, and that the information set out therein is true and correct. The department will consider the information supplied in the request in conjunction with the type of buildings noted in par. (a) in determining whether the request for inspection or copying shall be granted. The department shall promptly transmit a copy of this statement to the owner and submitter of the documents being inspected or copied.

(d) The department may charge a reasonable amount to defray its costs in providing copies.

**History:** Cr. Register, June, 1977, No. 258, eff. 7-1-77; r. and recr., Register, August, 1980, No. 296, eff. 9-1-80; r. and recr. Register, June, 1982, No. 318, eff. 7-1-82; cr.
