History: Cr. Register, June, 1988, No. 390, eff. 7-1-88.

PI 28.02 Purpose and applicability. Section 115.343, Stats., requires the department to establish a morning milk program which will provide payment to participating schools for free beverages served to pupils eligible under s. 115.343 (2), Stats. The statute further provides for payment to participating schools for reduced price beverages served to pupils eligible under s. 115.343 (4), Stats., if any amount remains in the appropriation after payment for free beverages. Section 115.343 (4), Stats., requires the department to promulgate rules establishing procedures for this proration.

priation, each participating school shall be reimbursed the amount obtained by multiplying the amount for which it is eligible under par. (a) by the ratio obtained by dividing the funds remaining in the appropriation by the sum of the amounts for which all participating schools are eligible under par. (a).

(2) Claims for reimbursement for free and reduced price beverages shall be on a form required by the department and shall be submitted no later than 30 days after the end of the school year to which the reimbursement claim pertains. Claims submitted after the 30-day time period may not be paid.

(3) Reimbursement to participating schools for reduced price beverages shall be made in a lump sum payment to be included with the reimbursement payment for free beverages.

(4) The participating school shall keep daily records of free and reduced price beverages actually served under s. 115.343, Stats., and shall maintain the records, including beverage costs, for 3 years from the year to which the records pertain.
