DOD 28.03 Priorities among eligible applicants. (1) Any health care provider who practices in a primary care health professional shortage area and who provides primary care is eligible for educational loan repayment as provided in s. 560.184 (4), Stats.

(2) If the cost of repaying the loans of all eligible applicants, when added to the cost of loan repayments scheduled under existing agreements, exceeds the total amount in the appropriation under s. 20.143 (1) (fc) and (jl), Stats., the department shall establish priorities among eligible applicants based upon the following considerations:

(a) *Extremely high need for medical care.* The degree to which there is an extremely high need for medical care in the primary care health professional shortage area in which the eligible applicant proposes to practice.

(b) *Health care provider retention.* The likelihood that an eligible applicant will remain in the primary care health professional shortage area in which he or she desires to practice after the loan repayment period.

(c) *Per capita income.* The per capita income of the primary care health professional shortage area in which an eligible applicant desires to practice.

(d) *Financial support for health care provider recruitment and retention.* The financial or other support for health care provider recruitment and retention provided by individuals, organizations or local governments in the primary care health professional shortage area in which an eligible applicant desires to practice.

(e) *Geographic distribution.* The geographical distribution of the health care providers who have entered into loan repayment agreements under this section and the geographic location of the primary care health professional shortage area in which an eligible applicant desires to practice.

(f) *Length of service.* The degree to which the medical service is new to the primary health care professional shortage area.

(g) *Loan balance.* The loan balance of the eligible applicant.
