CHIROPRACTIC EXAMINING BOARD : ADOPTING RULES.
: (CLEARINGHOUSE RULE 94-158)

ORDER

An order of the Chiropractic Examining Board to amend Chir 2.02 (4); and to repeal and recreate Chir 3.03 relating to licensure by endorsement.

Analysis prepared by the Department of Regulation and Licensing.

ANALYSIS

Statutes authorizing promulgation: ss. 15.08 (5) (b) and 227.11 (2), Stats., and s. 446.02 (3g) (b), Stats., as created by 1993 Wisconsin Act 31.

Statutes interpreted: s. 446.02 (3g) (a), Stats.

In this proposed rule-making order the Chiropractic Examining Board creates rules implementing provisions of 1993 Wisconsin Act 31, which provide the authority for the board to grant licenses for the practice of chiropractic in Wisconsin to chiropractors already licensed in other jurisdictions.

Under the authority granted by 1993 Wisconsin Act 31, these proposed rules set forth the educational prerequisites which are required of a chiropractor licensed in another jurisdiction who wishes to become licensed in Wisconsin. The education required is the same as that required for a person who seeks initial chiropractic licensure in Wisconsin.

In addition, the proposed rules require that the chiropractor applicant show that the examination required for licensure in the chiropractor's home jurisdiction is substantially equivalent to the examination required of applicants who seek their first chiropractic license in Wisconsin. In accordance with Act 31, the proposed rules further provide that the chiropractor applicant may be required to demonstrate continued competence in the profession by successfully completing a "Special Purpose Examination in Chiropractic" provided by the National Board of Chiropractic Examiners for testing experienced chiropractors, if the applicant has not previously taken the examination of the National Board of Chiropractic Examiners.

The proposed rules further provide that a qualified applicant will have been practicing in another jurisdiction for at least 3 of the previous 5 years, and that no disciplinary action has been taken against the applicant's license in any jurisdiction in which the applicant has practiced.

The proposed rules set out the information which the applicant is required to provide in an application, in order to demonstrate that the applicant is eligible for a chiropractic license in Wisconsin without having to complete the licensing examination required of persons who have never been licensed to practice chiropractic in any jurisdiction.
