PROPOSED ORDER OF THE WISCONSIN
TECHNICAL COLLEGE SYSTEM BOARD CREATING
RULES RELATING TO DISTRICT REPORTING OF
POSTSECONDARY STUDENT PARTICIPATION UNDER
COMPULSORY SCHOOL ATTENDANCE, POSTSECONDARY ENROLLMENT
OPTIONS, AND TECHNICAL PREPARATION PROGRAMS

(Clearinghouse Rule 95-032)

1   The Wisconsin Technical College System Board proposes an order to create ch.TCS 9,

2   Wis. Admin. Code, relating to district reporting of attendance and other participation in

3   technical college courses or programs by secondary school students under the Wisconsin

4   statutory provisions relating to compulsory school attendance, postsecondary enrollment

5   options, and technical preparation programs.

6   _____

7

8   <u>ANALYSIS PREPARED BY THE TECHNICAL COLLEGE SYSTEM BOARD</u>

9

10   Statutory Authority: ss. 38.04(11)(a) 2 and 227.11(2)(a), Stats.

11   Statute Interpreted: s. 38.04(11)(a) 2, Stats.

12

13   1993 Wisconsin Acts 16 and 223, directed the Technical College System Board and

14   the Department of Public Instruction to promulgate rules applicable to technical college district

15   boards and school boards, respectively, which establish a uniform format for reporting the

16   number of secondary school students attending the technical colleges under ss. 118.15(1)(b),

1   (cm), (d) and 118.37, Stats., and the number of students participating in technical preparation

2   programs under s. 118.34, Stats., including the number of courses taken for advanced standing

3   in an associate degree program or other technical college credit.

4   This order creates ch. TCS 9, Wis. Admin. Code, to establish a format for technical

5   college district reporting of secondary school student participation in technical college courses

6   or programs under the categories of compulsory school attendance, postsecondary enrollment

7   options, and technical preparation, as the areas identified by statute.

8   Pursuant to s. 38.04(11)(a)2, Stats., which codifies 1993 Wisconsin Acts 16 and 223, the

9   format developed for district reporting of students in the above-referenced categories is

10   identical to the format established by the Department of Public Instruction.

11   _____

12   SECTION 1. Ch. TCS 9 is created to read:

13   CHAPTER TCS 9

14   DISTRICT REPORTING OF STUDENT PARTICIPATION IN

15   COMPULSORY SCHOOL ATTENDANCE, POSTSECONDARY OPTIONS AND

16   TECHNICAL PREPARATION PROGRAMS: REQUIREMENTS AND PROCEDURES

17

18   TCS 9.01 PURPOSE. This chapter establishes standards and procedures pursuant to s.

19   38.04(11)(a)2, Stats., for districts to report the number of students participating in district

20   courses under the compulsory education provisions of ss. 118.15(1)(b), (cm) and (d), and

1   the number of students participating in the postsecondary enrollment options program under

2   the provisions of s. 118.37, Stats., and the number of students participating in technical

3   preparation programs under s. 118.34, Stats., including the number of courses taken for

4   advanced standing in a technical college district's associate degree or vocational diploma

5   program and for postsecondary credit.

6

7   TCS 9.02 DEFINITIONS. In this chapter: (1) "Advanced standing" means postsecondary

8   credit granted upon technical college enrollment toward a degree or diploma program for a

9   secondary course taken by a pupil which is part of a sequence of courses designed to help high

10   school graduates make the transition from high school to postsecondary technical education

11   and for which there is an articulation agreement between the school district offering the course

12   and the technical college district.

13

14   (2) " Articulation agreement" means an agreement between the school district offering

15   a secondary course and a technical college district through which postsecondary credit may be

16   applied toward advanced standing.

17

18   (3) "Board" means the Wisconsin technical college system board.

19

20   (4) "Compulsory school attendance participation " means the participation of high

21   school age students in technical college courses or programs under the provisions of s. 118.15

22   (1)(b), (cm) and (d), Stats.

1   (5) "District" means a technical college district established under ch. 38, Stats.

2

3   (6) "District board" means the district board charged with governance of the technical

4   colleges within a district.

5

6   (7) "Postsecondary enrollment options program" means enrollment under the

7   provisions of s. 118.37, Stats.

8

9   (8) "School district" has the meaning given in s. 115.001(3), Stats.

10

11   (9) "Technical preparation program" means a high school program established under

12   s. 118.34, Stats.

13

14   (10) "Transcripted credit" means credit that may be applied toward high school

15   graduation requirements or toward a technical college associate degree or vocational diploma

16   program.

17

18   9.03 REPORTING OF STUDENTS. (1) Annually, by June 15, technical college districts

19   shall compile a report for the board containing the data elements of sub. (2) to report

20   participation in technical college courses or programs for the following students:

1 (a) Students attending a technical college of the district under the compulsory school

2 attendance provisions of ss. 118.15(1)(b), (cm) and (d), Stats.

3 (b) Students attending a technical college of the district under the postsecondary

4 enrollment options program provisions of s. 118.37, Stats.

5 (c) 1. Students enrolled in a secondary course, authorized through an articulation

6 agreement, for which advanced standing may be granted by a technical college district under

7 the technical preparation program, s. 118.34, Stats.

8 2. Students enrolled in a secondary course for which transcripted credit may be

9 granted by the technical college and the school district under the technical preparation program

10 provisions of s. 118.34, Stats.

11

12 (2) The report under sub. (1) shall include the following information regarding

13 students and courses completed for the previous school year:

14 (a) The student's social security number or other unique identifiable number.

15 (b) The student's name.

16 (c) The student's birth date.

17 (d) The student's school district of enrollment.

18 (e) The student's school district of residence.

19 (f) The student's highest secondary school grade completed.

20 (g) If applicable, the student's year of high school graduation.

1   (h) If the student participated in a program under s. TCS 9.03(1)(a) or (b), the

2   technical college district course or courses the student completed. The course or courses listed

3   under this paragraph shall include the course number and title.

4   (i) If the pupil participated in a program under s. TCS 9.03(1)(c), the secondary

5   course or courses the pupil completed for which advanced standing or transcripted credit was

6   received. The course or courses listed under this paragraph shall include the course number

7   and title as specified under the articulation agreement between the technical college and the

8   school district.

9   (j) If a student received postsecondary credits for a course or courses under pars. (h)

10   and (i), the number of postsecondary credits awarded.

11

12   (3) Collection of personally identifiable information under sub. (2) shall be used solely

13   for determining student participation in technical college courses or programs under the

14   compulsory education provisions of ss. 118.15(1)(b), (cm), and (d), and the number of

15   students participating in the postsecondary enrollment options program under the provisions of

16   s. 118.37, Stats., and the number of students participating in technical preparation programs

17   under s. 118.34, Stats., including the number of courses taken for advanced standing in a

18   technical college district's associate degree or vocational diploma program and for

19   postsecondary credit.

1   **Note: Family Educational Rights and Privacy Act (FERPA), 20 USC 1232g**

2   **and 34 CFR Part 99 (1993).** Under 34 C.F.R. ss. 99.31 (a) (3)(iii), educational

3   institutions may release student data containing personally identifiable information to

4   state and local educational authorities where the personally identifiable information is

5   protected while in use and destroyed when no longer needed for the purposes for

6   which disclosure is made.

This rule shall take effect as provided in s. 227.22(2)(intro.), Stats.
