Child Care Co-Payment Schedule for Licensed and Certified Care

Update to Table DCF 201.08 Based on the 2016 Federal Poverty Guidelines

Effective March 6, 2016

The Department of Children and Families sets a schedule for parent copayment responsibilities for all parents who receive child care financial assistance under s. 49.155, Stats. Section DCF 201.08 (3) provides that the department may adjust the amounts in the copayment schedule based on a change in the federal poverty level. The department shall publish adjustments to the copayment schedule in the Wisconsin Administrative Register.

The last revision of the copayment schedule in Table DCF 201.08 was effective March 1, 2015. A new Table DCF 201.08 based on the 2016 federal poverty level will be effective March 6, 2016.

Child Care Co-Payment Schedule for Licensed and Certified Care

Use the family's monthly income and family size to determine the FPL percentage.

If the family's income is between two lines use the higher amount. Look to the right to find the co-payment by number of children in subsidized care.
