Policy Problem Addressed by the Rule

This proposed rule change will align PI 24 with the statutory changes made as a result of 2011 Wisconsin Act 105, related to the Student Achievement Guarantee in Education program, and 2015 Wisconsin Act 53, with respect to the calculation and payment of state aid under the newly created Achievement Gap Reduction program. Any other changes to PI 24 that are needed to align these rules with current statutes will also be made.

Summary of Rule's Economic and Fiscal Impact on Specific Businesses, Business Sectors, Public Utility Rate Payers, Local Governmental Units and the State's Economy as a Whole (Include Implementation and Compliance Costs Expected to be Incurred)

Local:

There is no economic impact on participating school districts with respect to the rule because the rule is created to align administrative code with statute.

State:

No fiscal effect.

Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule

This rule change is designed to modify the existing rule so that the rule reflects current law with respect to changes to the Student Achievement Guarantee in Education program and the newly created Achievement Gap Reduction program. Without a rule, administrative code will not reflect statutes.

Long Range Implications of Implementing the Rule

The proposed rule will align PI 24 of the Administrative Code with the Wisconsin Statutes as modified by 2011 Wisconsin Act 106 and 2015 Wisconsin Act 53. Statute, rule, and agency practice will be consistent.
