

Final Regulatory Flexibility Analysis

Clearinghouse Rule 16-037, Natural Resources Board Order WM-12-15

These rules are applicable to individual sportspersons and impose no compliance or reporting requirements for small businesses and no design standards are contained in the rule.

Because this rule does not add any regulatory requirements for small businesses, the proposed rules will not have a significant economic impact on a substantial number of small businesses under 227.24 (3m).

Pursuant to the Governor's Executive Order 50, Section II, this was a level 3 economic impact analysis for the permanent rule. A notice for solicitation of comments on this analysis was posted on the department's website.
