Fiscal Estimate & Economic Impact Analysis

Illinois requires an advanced practical nurse to additionally hold a separate license for the prescribing of controlled substances. In order to obtain a mid-level practitioner controlled substances license, the advance practice nurse is required to provide the license number and controlled substances license number of the of the delegating or collaborating physician or podiatrist and the written notice of delegation of prescriptive authority signed by the physician or podiatrist including the schedule of controlled substances that the mid-level practitioner may dispense or prescribe.

Iowa and Minnesota license nurses at three levels: licensed practical nurse, registered nurse and advanced registered nurse practitioner. The advanced registered nurse prescriber has a scope of practice which includes prescriptive authority. There is no equivalent certification in Iowa or Minnesota to the Wisconsin advance practice nurse prescriber certificate.

Michigan licenses nurses at two levels: licensed practical nurse and registered nurse. Michigan has specialty certifications for a nurse anesthetist, nurse midwife and nurse practitioner. There is no equivalent certification in Michigan to the Wisconsin advance practice nurse prescriber certificate.
